Hungary Quotes Morse

Budapest, Sept. 7 (UPI)—Sen. Wayne Morse (D-Ore.) was quoted by a Budapest newspaper today as saying the war in Viet Nam should be stopped immediately and the Viet Cong should be recognized as negotiation partners. "I object to the escalation of war and to bomb raids. It is the fault of the United States

Morse

that things have advanced to such a tragic point," Morse was quoted as saying. He claimed that "millions of Americans today condemn the Viet Nam war," and expressed his view that even now the Administration could be pressed to change its position if Congress refused to appropriate war expenses.
